**New Business:**

**Devon Middle School PSSC-**

Main Goal is to get on Stable Infrastructure Development List.

Minister Hogan is scheduled to attend Devon’s November 20<sup>th</sup> PSSC meeting.

They are inviting a member of each feeder school’s PSSC to come and speak and share their concerns- Amanda Hudson has tentatively agreed to speak on behalf of our PSSC unless there is someone else who is interested in speaking.

We are also invited as a PSSC to write a letter to Minster Hogan, Minster Austin, and Minster Green.

Leah is going to create a draft letter. She will email it to the committee for potential edits and approval before November 20.

**Principals Report**

**Update on School Plan-** Staff has decided that our School goal of Teaching Positive Behaviors will be the priority for the first part of the school year.

**Budget**

Tracy investigated the area the cell phone booster could cover, it was smaller than expected. She does not feel it would be good use of money.

Tracy suggested creating a Multicultural Mural somewhere prominent in the school where students can see it so they will feel represented in the school. She will reach out to a local artist to get a quote and potential commission.

Catherine brought up fixing the grass area in front of the school, Tracy will look at the cost of this.

Mali mentioned the display tv's need updating. The cost to do that will be around \$1600.

As a committee we can decide to what we want to allocate to what project at the November meeting. A vote will be taken at that time.
