Eid

Tashem

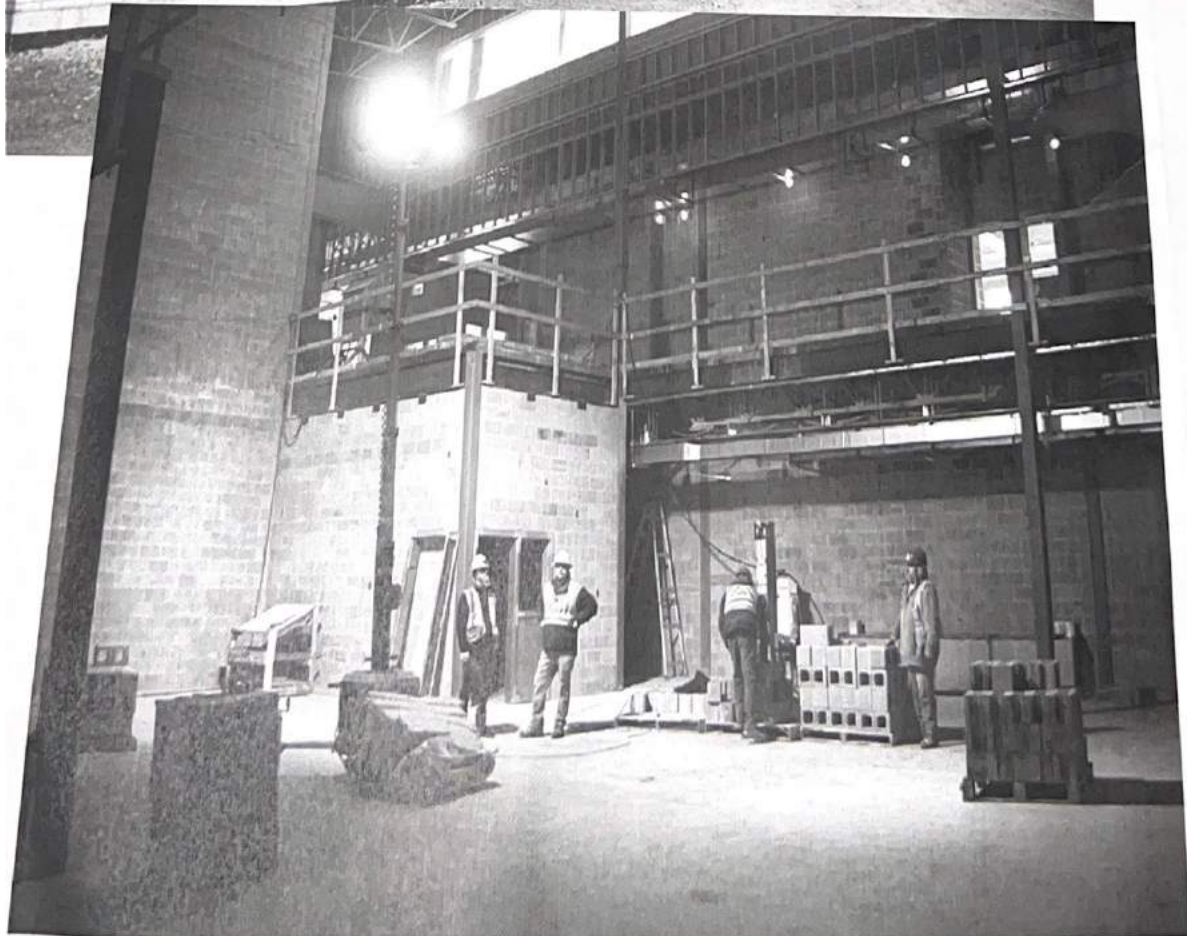

On wednesday, April 10th I celebrated Eid with my family. First, we went to the dollar store in the morning to buy kamah hoodies. later that day we went for a walk on the walking bridge. The next day we went to the park. After I got a hot and pink lemonade. Eid is my favorite celebration. I love to celebrate Eid with my family!

Make A Wish!

By Clara Jones

My name is Clara Jones, I am in kindergarten at Gibson Neill School. When I was 3 years old, I was diagnosed with cancer. I spent lots of time in Halifax at the IWK so the doctors could help me get rid of my cancer. I had to take lots of yucky medicine and lots of different test and treatments. I am excited to tell you that I am now cancer free!! Just a few weeks ago, I was granted my Make A Wish dream. My wish was to go to Toronto, watch a hockey game (I love Tampa Bay and they beat Toronto Maple Leaf's when I was there), go to the Ripley's Aquarium to see a shark, visit the Toronto Zoo and I really wanted to eat breakfast, lunch, and supper in bed!! I had a really good time with my mom in Toronto and I loved all the underground sidewalks and the subway trains. I want to go back and visit the big city!

Here is a picture of me at the best hockey game ever!
