being kind

Milly BK
May 16 2023

Be respectful safe and kind and your greatness you will find today i'm talking about kindness and boundaries. Being kind is one of the most respectful thing a person can do. Being kind includes, helping others, being nice, giving a complement, smiling, respecting boundaries, setting boundaries and many many more. I could talk about being kind all day but right now I think some students need to start respecting, boundaries and making them. Boundaries are something everyone should have and respect. Boundaries are something like no mean's no. If someone is not respecting your boundaries then tell them that your boundaries are firm if they still don't listen then tell an adult. Make sure you have boundaries and respect others boundaries because believe or not respecting boundaries and setting boundaries is one of the kindest things you can do so take your part and show some

Summer Laughs

Why do fish swim in salt water?.....

Because pepper water would make them sneeze.

Where do sheep go on vacation?.....

To the baa-hamas

What do you call a snowman in July?.....

A puddle

What's gray and has a trunk?.....

A mouse on a vacation.

Why can't basketball plyers go on vacation?.....

They would get called for traveling.

**Why did the robot go on summer vacation
?.....**

To recharge his batteries.

Jokes by Olivia and Sophia M in 5F

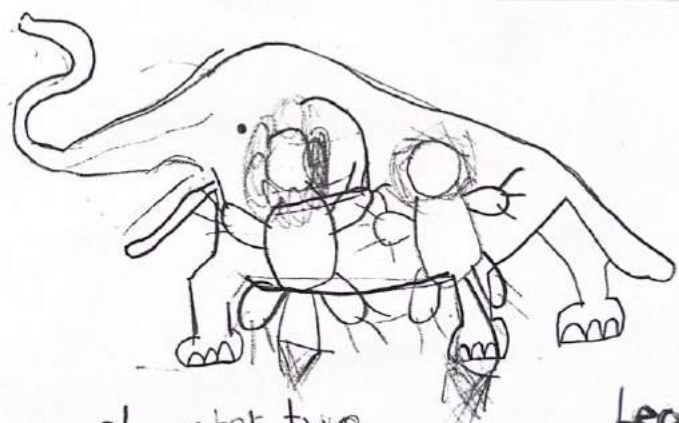

Did you know
the scientific name of a lion is
Panthera leo

Did you know
lions' brains are 3mm
as big as a testis

a lion
A lion lives in a
desert. Its mane protects its
neck. They can grow nine feet
tall and it weigh way five
hundred pounds. Lions can sprint
up to fifty mph. I love
lions.

chapter two

Leo
2Downe

The biggest thing that
lions can eat is a
elaphent. A elaphent is VERY BIG ok
back to lions. Lions work in prides
to hunt. Lions, tigers, ... are the only
big cats that roars

Vietnam and Canada

Vietnam to Canada

I have been living in Canada for 2 years. I moved from Vietnam. I am going to talk about how the two countries are different and alike.

School is alike because everybody must go to school- in Vietnam or Canada. Schools are different in these ways. I found it really hard and more work in Vietnam. Vietnam doesn't have summer break, March Break or even Easter, Canada has all of those breaks. Vietnam has bigger class size. I like school in Canada better because the school year is shorter.

Seasons are VERY different! Vietnam has three seasons-But Canada has four seasons. Vietnam has spring, summer and the rainy season. Canada has 4 seasons – spring, summer, fall and winter, but no rainy season. I like summer the best! And that's how they're different.

Clothes are a little different because Vietnam has a rainy season. The clothes for the rainy season are really protective. They sell a lot of umbrellas for the rainy season.

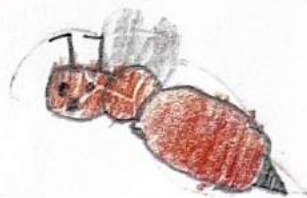

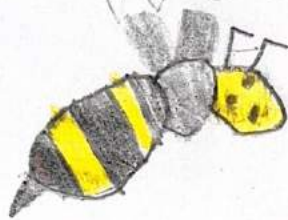

Canada and Vietnam are different, but they are both nice.

WHO
WOULD WIN?

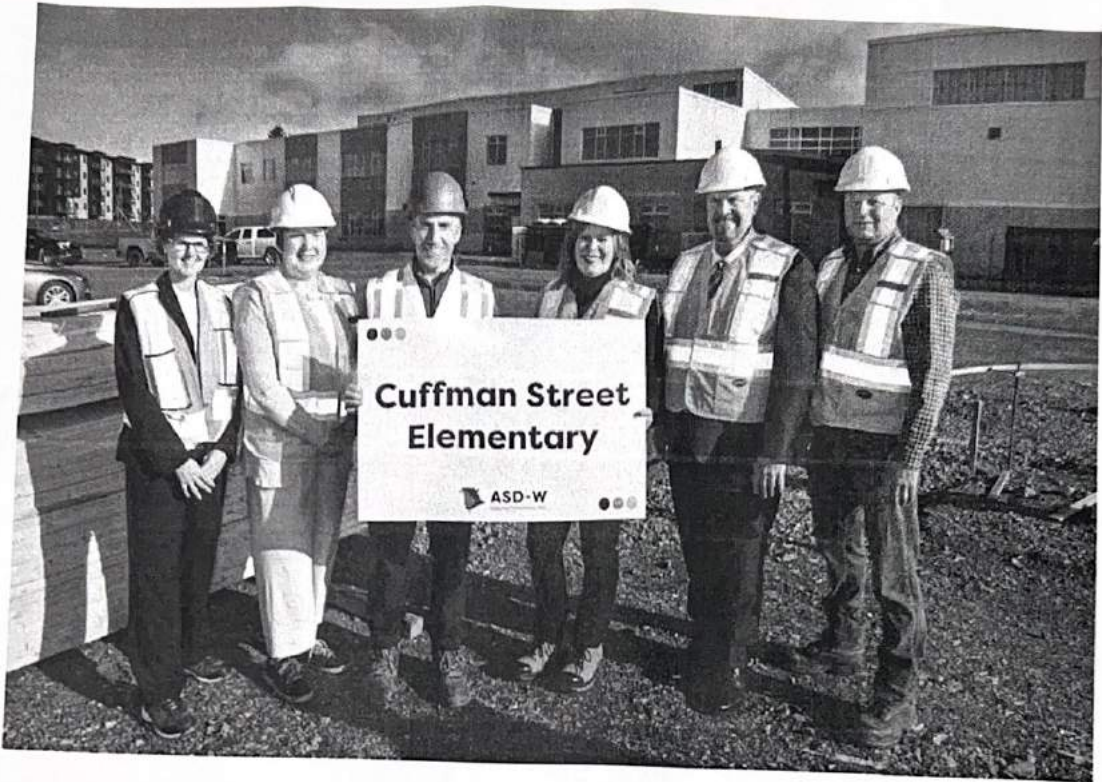

What would happen
when the hornet
came to the wasp?
Face-to-face.

Their sting is too
long. The hornet
is too fast to sting and the
hornet stings the wasp. The
hornet wins.

FREE SWIMMING SPOTS IN FREDERICTON

2024 - The Wilmot Splash Pad will be open May 18th to Sept 2nd from 10am to dusk and the weekends of Sept 7th, 14th and 21st.

The Wilmot Splash Pad is Fredericton's only splash pad. It offers barrier-free access, seating, shaded areas, and an onsite washroom. Featuring loads of open space and brightly coloured spouts and sprinklers, the splash pad has multiple splash and spray components, as well as designated areas for shallow-watered play.

Outdoor Pools

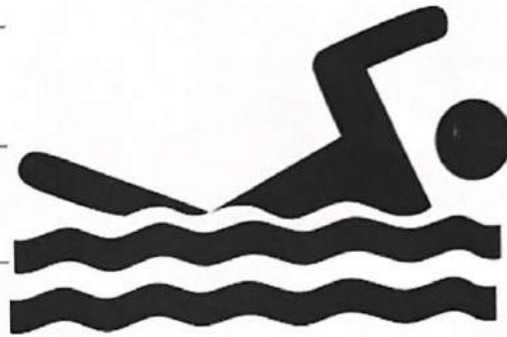

2024 - Outdoor pools will be open June 26th to August 31st.

Henry Park - [248 Medley ST](#) 

Marysville - [37 Harrison CRT](#) 

Royal Road - [35 Royal RD](#) 

Queen Square - [740 Aberdeen ST](#) 

Killarney Lake Beach

2024 - Lifeguard supervision will take place from June 3rd to September 1st.

Killarney Lake Beach is a supervised fresh water sandy beach with access to washrooms and change rooms.

Should the water levels reach an unsafe level of E. coli or Enterococci, a Swim Advisory will be posted at the Lifeguard Station and on the City of Fredericton website Social Media accounts. Water Quality standards are set out in the Guidelines for Canadian Recreational Water Quality available at www.canada.ca

The Lifeguards at Killarney Lake are flying one of two new signalling flags to help swimmers identify from afar whether it is safe to swim. As with any situation related to the beach, anytime the solid RED flag is flying, swimming is strongly discouraged.
